Welcome to today's visitors Mansfield Town who won promotion from the Third Division as champions last season.

The Wanderers return to Burnden after last week's 2-1 win over Brighton at the Goldstone Ground in confident mood.

We decided that it would be a good thing to extend our stay at Brighton from Friday until Tuesday instead of returning to Bolton as we normally would on Saturday night.

The players did some training and played golf, tennis and squash to keep

in trim and I am sure the break did them good.

I have been very happy with our form in our last three away games at Sunderland, Crystal Palace and Brighton — in spite of losing the game at Palace. On that day I thought we were very unfortunate not to win let alone lose.

It is true to say that our quality of play in those games has been the best since I came to Bolton.

And if the results match our play after the 2-0 win at Sunderland and the win at Brighton the players will get no more than they deserve.

For a few weeks ago it was a case of a return to the drawing board after our play had not reached the standard at which we always aim.

I can only pay tribute to the players for their application in putting things right.

Today we entertain Mansfield and I feel sure that there will be plenty of excitement for the fans.

COLIN FOSTER — Colin is a local boy who was an apprentice with Mansfield then signed professional forms in December, 1970, on his 18th birthday. A hard tackling defender with good distribution ability. Made over 40 first-team appearances last season.

KEVIN BIRD — Signed from Doncaster Rovers on being released in July, 1972. A young back four player of whom big things are expected. Got into the side midway through season 1972-73 and retained his position through his splendid form. Yorkshire boy born at Doncaster.

ROD ARNOLD — Goalkeeper. Rod was signed from Wolves in June, 1973, after being with Mansfield on two loan periods. A very agile keeper and quite experienced for one so young. An ever-present in the side last season.

JOHN ASTON — Former Manchester United winger. John then made a successful move to Luton Town, leaving them recently to join Mansfield.

ERNIE MOSS — Signed from Peterborough United in December, 1976, for a record fee of £18,000. Has settled in very quickly and led the attack well. Has always been a prolific goal scorer notably with Chesterfield, before going to Peterborough.

IAN PHILLIPS—Signed from Ipswich Town in July, 1977, with whom he had been since leaving school. Was a regular member of their Combination side. Born in Cumnock, Scotland.

IAN WOOD — Another youngster who joined Mansfield as an apprentice on leaving school. Signed as a full time professional in June, 1976. Made 17 first-team appearances last season.

KEVIN RANDALL — Last season's leading scorer with 18 goals, much travelled Kevin has not been able to hold down a regular place this season.

DAVID SYRETT — Signed from Swindon Town in July, 1977, for a fee of over £20,000. Joined Swindon as a youngster and made over 200 first-team appearances, and was leading goal scorer on a number of occasions. Born in Salisbury.

GORDON HODGSON — Midfield. Signed from Newcastle United in June, 1974, for a substantial fee. Made a number of first-team appearances for Newcastle. Was an England schoolboy international and youth international. Born Newcastle. An ever-present in the first team for the last two seasons.

BILL McEWAN — Bill was signed from Chesterfield for £18,000 equalling the record fee paid for Ernie Moss. A hard tackling wing half. Bill has settled in very quickly and certainly strengthened the midfield. Previous clubs, Hibernian, Brighton and Chesterfield. Scottish Under-23 international.

PAUL MATTHEWS — Previously with Leicester City. Started his career as an outside right but has since moved to midfield with success. Became a regular member of the first team on his transfer from Leicester. Missed a number of games last season through injury.

Today's Visitors

Season 1977-78 is, for Mansfield Town, a completely new experience. After 46 years in the lower divisions, the Stags are playing in the Second Division for the first time — reward for a magnificent performance in winning the Third Division championship last season.

They've certainly made a very happy start. They opened with a 2-1 victory over Stoke — one of the clubs relegated from the First Division last season — and, though they then lost three games in a row, they found their winning ways again with a splendid 4-1 victory over Burnley. They won their first away game at Hull (2-0).

Now the Stags are sitting fairly comfortably in the middle of the table and, with confidence growing, are playing some very useful football.

Manager, Peter Morris, made three additions to last season's squad during the close season, signing striker David Syrett from Swindon, defender Ian Phillips from Ipswich and midfield player Pat Sharkey, also from Ipswich. More recently Luton Town's John Aston moved north to join them.

Syrett, who scored 15 goals for Swindon last season, scored in his first two League games for the Stags and now has four goals to his credit. He has been playing in attack with Ernie Moss and Johnny Miller.

Moss, who hit 13 goals last season, is currently leading the scorers with five goals — all scored in four successive recent matches.

Miller is more of a provider of chances than a scorer. He previously played for Ipswich and Norwich and played at Wembley for the Canaries in a League Cup final.

Last season's leading scorer with 18 goals, Kevin Randall, has been used as more or less a permanent substitute this season and has so far not got his name on the scoresheet.

Sharkey, a forceful player in midfield, is a Northern Ireland international and he has now taken over as Mansfield's penalty-taker. His usual midfield

partners are Bill McEwan, a prodigious worker, and Gordon Hodgson, the former Newcastle player.

Newcomer Phillips, who did not make the League grade at Ipswich, has recently been given his chance in defence, coming in in place of Ian Mackenzie. Kevin Bird, once of Doncaster, Colin Foster and Ian Wood normally make up the back four with that so-reliable goalkeeper Rod Arnold behind them.

Mr. Morris expected things to be difficult at first and was prepared to go into the market for new players if the need arose. "It took us time to adjust to the new tempo", he said. "Second Division defences are much tighter and the one aspect we have to improve upon is in becoming sharper in accepting our chances.

Though the Stags won 11 away games last season — a tally equalled only by Rotherham throughout the League — they really gained promotion as a result of a remarkable home record, winning 17 and drawing six of their 23 home League games.

They opened the current season with the best home record in the League, extending unbeaten over 37 successive League games at Field Mill. They added another to that tally, when Stoke were defeated on the opening day, but the record finally went crashing when Brighton beat them in their next match by 2-1.

Life has taken some strange twists for Mansfield in recent times. Elected to the League in 1931, they remained a Third Division side until going down into Division Four in 1960.

They regained their Third Division place on goal-average in 1963 and two years later were denied promotion to Division Two on goal-average.

In 1968 they were saved from relegation only by Peterborough's disciplinary demotion but they eventually dropped down again in 1972. In 1975 they won the Fourth Division championship, then last season they topped the Third Division.
